3. Общение с ИИ агентом:

4 После всех парсеров:

The screenshot shows a Telegram chat window. At the top, there's a header bar with a profile picture of a person with glasses and a blue background, next to the channel name "Тестирование заданий_Школа_21" and "5 подписчиков". On the right side of the header are search and menu icons. The chat area displays three messages from the channel. Each message has a light blue background and includes a list of skills and their counts, followed by a "Прокомментировать" button with a speech bubble icon and a right arrow. The first message lists: jira: 2, clickup: 2, trello: 2, with a timestamp of 2 23:04. The second message lists: java: 4, javascript: 4, c/c++: 3, python: 3, kubernetes: 3, terraform: 2, ansible: 2, iac: 2, ci/cd: 2, jira: 2, clickup: 2, trello: 2, with a timestamp of 2 23:06. The third message lists: kubernetes: 3, python: 3, java: 3, javascript: 3, terraform: 2, linux: 2, ansible: 2, iac: 2, ci/cd: 2, jira: 2, clickup: 2, trello: 2, centos: 1, almalinux: 1, glusterfs: 1, with a timestamp of 2 23:11. At the bottom left, there's a red circular button with a white plus sign.
